North Central Psychic Fair Policy

Alternative & Holistic Self-Care

Hi, my name is Rae and I'm a medicine woman. I have put together the North Central Psychic Fair to create a safe and inclusive space for people who are interested in alternative and holistic self-care. In the form of ideas, tools, resources, products, and even energy healing (like Reiki).

Inspired by the Northwest Psychic Fair, which I attended frequently as a child, my goal is to create a space for a community of like-minded people. Where we can openly share and partake in communication and experiences.

I invite you to become a part of this colorful event and bring the gifts you have to share. Begin your journey with us by reading through this Policy and filling out the Vendor Agreement.

Welcome!
